Where did I go wrong?

A student self-assessment tool

Directions: Answer each question thoughtfully and honestly. This is not a time to hide what really happened.

Use this time

- to reflect on what went wrong.
- to enlist support and resources from your instructor.

These steps will help you to move past this mistake and toward future success.

1 Explain the key requirements of the assignment that you completed.

2 Explain your work process for the assignment. For example, did you outline, draft, revise, seek feedback, etc.? Consider your entire process from start to finish.

3 Explain outside factors (lack of quiet space, work / sports / other time commitments, etc.) that affected your work process for the assignment.
